PROFESSIONAL SUMMARY

Highly motivated and versatile Full Stack Web Developer and software programmer with a solid foundation in Computer Science Engineering. Demonstrated hands-on execution through three backend and frontend engineering internships, alongside actively competing in industry hackathons. Adept at building scalable web architectures and optimizing structural database pipelines. Passionate about leveraging strong programming fundamentals to specialize in Artificial Intelligence and Data Science automation systems.

EDUCATION

Bachelor of Technology (B.Tech) — AI & Data Science — Incoming Student 2026 – Present **Pursuing**

Diploma in Computer Science Engineering (CSE) — Sree Dattha Engineering and Science Institution Graduation: 2026 **Agg: 91%**

Sheriguda, Ibrahimpatnam, Greater Hyderabad, Telangana, India

Secondary School Certificate (SSC) — Gnanoodaya Grammer High School Graduation: 2023

Percentage: 82%

Balapur, Hyderabad, Telangana, India

PROFESSIONAL EXPERIENCE

Frontend Engineering Intern — Future Interns June 2026 – Present

- Engineered a responsive single-page portfolio website using React.js and Vite compilation engines.
- Implemented serverless asynchronous communication by integrating the Formspree REST API.
- Designed an interactive academic timeline component utilizing dynamic UI state management.
- Managed version control with Git/GitHub and configured continuous integration deployments via Vercel.

Web Development Intern — CodeAlpha 2025

- Developed clean client-side layout architectures using HTML5, CSS3, and modern native JavaScript.
- Collaborated on user interface components to improve viewport alignment and cross-device responsiveness.

Software Engineering Trainee — Syment Technologies 2025

- Gained hands-on experience writing structured backend logic routines and algorithms using Java and Python.
- Assisted in optimizing system script pipelines and managing database relational schemas using advanced SQL queries.

TECHNICAL SKILLS

Programming: Java, Python, C Programming, JavaScript (ES6+), SQL Specialist
Web Dev: HTML5, CSS3 (Flexbox & Grid), React.js, Vite Engine, Full Stack Architecture, Formspree API
Tools: Git, GitHub, Vercel Production Deployment, XAMPP, Agile Workflow Methodologies

ACHIEVEMENTS & CERTIFICATIONS

- Hackathon Competitor:** Earned multiple certificates for technical execution and solving rapid prototyping logic tracks.
- Full Stack Web Development Internship Certificate — Issued by Future Interns (2026)
- Web Development Internship Certificate — Issued by CodeAlpha (2025)
- Software Engineering Trainee Certificate — Issued by Syment Technologies (2025)

PERSONAL PROFILE

Languages Known

- Telugu (Native)
- English (Professional)
- Hindi (Conversational)

Hobbies

- Tackling Coding Challenges
- Technical Blogging
- Exploring AI Tools

Habits

- Continuous Learning
- Daily Code Practice
- Time Management
